

### **CD & DVD DUPLICATION PRICES**

These are example prices and may vary according to your specific requirements. **There is a minimum charge of £15 per order.** Print and artwork set-up charges may also apply. All prices exclude VAT and delivery and are effective from February 2011.

For a written quotation, please email us the details of what you want and how quickly you need the copies. Your required turnaround time may affect which services and products are available to you.

**Please also see on page 3 our Retail Pack prices for quantities of 500 or more units. These inclusive prices are cheaper than the separate prices below and are ideal if you are selling your DVDs or CDs. The cases are also cellophane wrapped giving that professional retail look. Turnaround for Retail Pack is 2-3 weeks from print sign off.**

**Turnaround times for short run, non-retail pack jobs are normally within 7 working days from print sign offs.**

Price per copy from CD or DVD supplied. Duplication only onto CD-R or DVD-R, no printing on discs or packaging included. Please see below for print and packaging prices.
